

Data User Registration

To prepare sound database on Higher Education, Ministry of Human Resource Development launched All India Survey on Higher Education (AISHE) to collect the data from all the institutions of higher education in the country through electronic mode. Data user account is designed to provide access to general public, researchers, institutions etc. for downloading various reports on higher education data collected under AISHE since 2011-12 for all the closed surveys.

The list of reports along with brief details are placed under survey guidelines. It also gives access to unit level data.

Below mentioned are the steps which needs to be followed in order to login as a Data User or to register yourself as Data User.

Step1: Click on “Data User Log In” as highlighted below:
